# Statement of Accomplishment

## ADITYA HRISHIKESH

HAS SUCCESSFULLY COMPLETED AN ONLINE NON-CREDIT COURSE OFFERED BY DUKE UNIVERSITY.

### A Beginner's Guide to Irrational Behavior

Receiving this Statement of Accomplishment is an incredible achievement, and you should show it off to all your friends and hang it in your living room next to the display case of trophies that you must also own. The bar was high, and you leapt right over it. Way to go!
